

District Tutoring Lessons

The district recently partnered with Skooli, which provides unlimited online access to tutors from the hours of 11:00 a.m. until 2:00 a.m. If your child is absent due to illness or quarantine, or simply needs additional tutoring, he or she can log in to meet with a live tutor in the core subject areas of English, mathematics, science, and social studies to receive one-on-one help. This service is beneficial to all students, and we encourage them to take advantage of Skooli and all it has to offer.
